Safety precautions due to COVID-19 at ASP

Dear Sir or Madam,

Due to the current situation, we ask you to observe the following security measures for deliveries to our house:

Drivers are only allowed to stay outside our building

- Registration in the offices is prohibited
- The use of our sanitary facilities is fundamentally no longer permitted
- Do not shake hands or have general physical contact
- A distance of at least 1.5 meters must be observed

These regulations apply for an indefinite period.

Thank you for your understanding.

Best regards

ASP Dichtstoffe GmbH
